

Application of children from families who cannot participate in the regular application procedure because they have neither an apartment nor their usual residence in the State of Berlin at the time of selection
- Quentin Blake Grundschule (primary school) - SESB branch - school year for the school year 2021/2022 -

You are planning to move to the State of Berlin and have a child whom you would like to enroll in Quentin Blake Elementary School, SESB branch for the 2021/2022 school year. There are 2 options available to you:

1.) You will move to Berlin up to **2 weeks before the start of school** and **have the opportunity** to have your child take the appropriate **language test(s)** on site (at the Berlin school) at a date to be agreed with the school (until approx. end of February 2021, as the selection process is scheduled to end on **01.03.2021**):

Your child will be included in the current selection process, subject to the actual move to the state of Berlin, until 2 weeks before school starts, i.e. until **27.07.2021**.
The proof of the move (registration certificate) must be submitted by **27.07.2021** at the latest.

2.) You will move to Berlin up to **2 weeks before the summer vacations, but you do not have the possibility** to let your child take the appropriate **language test(s)** on site (at the Berlin school) until about the end of February 2021. However, you have the possibility that your child can take the corresponding language test(s) on a date to be arranged with the school until **11.06.2021** at the latest:

Your child will be included in the separate procedure for newcomers, in which 4 places are to be allocated, provided that you can prove that you have moved to Berlin up to 2 weeks before the start of the summer vacations, i.e. by **11.06.2021** (registration certificate) and your child has completed the required language test(s) by **11.06.2021**.

Please note in the following:

The formally required **application for the admission of a child to another elementary school** (<http://www.berlin.de/sen/bjw/service/formulare/>) must be submitted **by the end of the previously mentioned deadlines**. You submit this application to the elementary school responsible for your future place of residence in the State of Berlin. **The application is only valid with the stamp of the elementary school responsible for your future place of residence!**

If the elementary school is no longer available due to vacations, please contact the school office directly.

You can find out which elementary school is responsible for your future place of residence at the local school office or find out for the district of Steglitz-Zehlendorf at <https://www.berlin.de/ba-steglitz-zehlendorf/politik-und-verwaltung/aemter/schul-und-sportamt/schulen/artikel.86435.php>.
