

OUR FUN RUN 2022

Dear parents,

We can finally celebrate a school event again, that was not possible for a long time. Our 24th Quentin Blake - Fun Run will again take place in its traditional form.

Date: 13th of May 2022 (alternative date, if the weather should not cooperate at all on the 13th: 20th of May)

This year we are not only celebrating the FunRun, but also the 30th anniversary of the State Europe Schools. To this end, we are organizing a colorful day with your children.

At 2 p.m. there will be a school-wide anniversary event followed by a ceremony. Afterwards the Fun Run will take place.

How does our FUN RUN work?

>The children of all classes look for sponsors among their families and acquaintances. These sponsors agree to pay a certain amount for each lap run by the child and fill out the sponsor card accordingly (see „Sponsorenkarte“ here in the attachment of the last mail, the original was given to your child at school on Friday).

>The number of laps run is recorded on a certificate on the day of the race.

>Parents transfer the number of laps run to the sponsor card and return it to school with the sponsor proceeds in a sealed envelope (labeled with class and name) via the mail folder by 5/25/2022. Class teachers will collect the envelopes. The Förderverein will issue a receipt for the donation.

The money raised will be invested in further opportunities for physical activity in the sports area / schoolyard.

Such a celebration can only succeed through the participation of many!

How can parents support us? Please take over the following jobs:
